

IMPORTANT NOTICE

TO: RESIDENTS OF LIQUID SUGAR H.O.A.
RE: FIRE ALARM & 5yr SPRINKLER TEST AND INSPECTION

On MONDAY & TUESDAY JULY 19TH & 20TH the annual Fire Alarm Systems Test and Inspection along with the 5 Year Fire Sprinkler System Certification/Inspection is scheduled as follows:

BUILDINGS - A & E WILL BE TESTED ON MONDAY JULY 19TH 2010.
BUILDINGS - B, C D & F WILL BE TESTED ON TUESDAY JULY 20TH 2010.

This inspection is required by the California Fire Marshal to insure that the fire sprinkler system is functioning properly and will provide adequate protection in case of a fire.

Common areas will be tested on Monday July 19 and Tuesday July 20 starting at 11:30am.

Access to units will not be necessary until 5:00pm: However, alarm audibles will sound intermittently throughout the day.

It is most important that we have your cooperation, in providing access to your residential unit for the duration of the scheduled service period. This will be the only opportunity to comply with this mandatory service requirement, at no charge to the individual owner/resident. If special appointments are required, to perform these tests, the cost of this service will be charged back to the owner/resident.

The testing & Inspection schedule is designed to minimize the time on site and inconvenience to you, the individual owner/ residents. We therefore ask that you be present when the inspectors are at your building and;

Please: No Special Scheduling Requests.

In the event you make arrangements with a neighbor to provide access to your residential unit, please leave a note on your door, advising Statcomm personnel, as to whom to contact.
