News and Views from the Board

The Board continues to work on the settlement as necessary and do as much as possible in the mean time to begin planning for the upcoming project. In addition to that management and the Board are working with our janitorial and landscape vendors to continue to maintain and improve Liquid Sugar for all owners and residents. If you have questions or concerns about common area items please contact management directly.

Pet Owners

Please do your part in keeping the hallways and staircases relatively clean. Do not allow your pets to roam freely in the hallways or use the walls to rub and scratch. There is a noticeable difference between the stairways where our 4-legged friends reside and those without.

Meeting Schedule

The 2009 meeting dates are listed below. A new meeting location is still to be determined and will be published to all owners in advance of the next meeting:
